

GARY SUMMERTON
Photography

Portrait Session:

The session fee cover the cost of the sitting and does not include any prints. A consultation before the session is highly recommended to discuss location clothing and where your finished portrait will hang.

Viewing:

A viewing appointment will be made after your portrait sitting. They can be held at our studio or your home. At the viewing the best sizes and finishes will be presented.

Finishes

Canvas Portrait:

Canvas prints mounted on Masonite Board. Retouching and enhancement included. A hand Brush texture may be added. Requires no glass when hanging. Canvas portraits are ideal for formal areas of the home.

Canvas Gallery Wraps:

A contemporary canvas print wrapped around a stretcher frame. Wraps look great All areas of the home. Sizes are given in longest length.

Canvas Wall Displays:

Wall displays are several wraps arranged together on a wall. No framing needed.

Traditional:

Color or B&W offered in many different sizes. This is the ideal finish for all area of the home or office.
